The personalities and accomplishments of the borough's artists, entrepreneurs, impresarios and innovators come to life in his photos. Join Duchaine in his fifth year of hosting the series as he continues his conversations with Brooklyn's "creators." Hear them talk about their lives and passions as portrayed in Randy's captivating photos.

They represent the spirit of America, a sense of independence, and the ability to stand on their own two feet and proudly say: This is what it means to be an American in Brooklyn!"
